

## WORK EXPERIENCE

### Art Specialist

**Jan 20' - Dec 20' Kissimmee, FL - Disney Parks Live Entertainment Walt Disney World**

- Designed and sourced props and set decorations for live shows, events, and parades across the Walt Disney World Parks, Resorts, and Cruise Lines
- Created and maintained detailed asset matrixes for 2- 4 projects a month
- Collaborated closely with the production team, designers, and vendors throughout the production and installation process to ensure all design and safety standards were met
- Worked long hours on site to ensure that all props and set decorations were properly implemented, as well as staying to strike and inventory assets

### Technical Direction Intern

**June 19' - Dec 19' Kissimmee, FL - Disney Parks Live Entertainment Walt Disney World**

- Assisted Technical Directors throughout the production process by creating scope of work documents, taking detailed meeting notes, transporting assets, & scouting on-site locations
- Worked closely on-site with Designers and Technicians to implement scenic elements by hanging drapery, placing set decor and props, and assisting with scenic painting touch ups

### Charge Scenic Painter & Shop Monitor

**Sept 17' - May 19' Savannah, GA - Savannah College of Art and Design**

- Created paint samples for 12 shows a year and instructed a crew of 20 inexperienced student workers how to accurately create faux finishes such as marbleizing, aging & wood graining
- Painted and laid out detailed backdrops, 3-dimensional signage, opera flats, furniture and props using techniques like airbrushing, color matching, sponging, and spray painting
